

Dear Neighbors and freinds of Woodland Hills,

As you well know the November elections are right around the corner. In just a few days we will be able to go to the polls to decide who will represent us in Local, State and Federal Governments. With so many issues on the table it has never been more important to exercise our right and freedom to vote. For what it's worth I would like to share with you my personal endorsements of the candidates I feel will have the most positive impact on our community.

**Louisville Metro Mayor: Hal Heiner**

It's not often that the choice of a candidate is as clear as this one. I first met **Hal Heiner** just a few months after being elected Mayor of Woodland Hills. Since that time Councilman Heiner has proven time after time that he truly serves the people of District 19 that he was elected to represent. Hal is truly a friend to Woodland Hills. In 2007 He took part in the re dedication of our park and has since pledged his support to our park improvement project. Hal, in late summer, introduced an Ordinance to the Metro Council that awards Woodland Hills a Grant of \$25,000 to be used toward Phase I of our park improvements. That Ordinance was approved by the Metro Council on October 7 giving us a head start to making Brinly Park a jewel in Eastern Jefferson County.

In addition to his support of Woodland Hills he has, as an active Metro Councilman, championed open and honest Government and led the effort to that successfully placed the "Louisville Checkbook" online allowing citizens to directly see how and where their tax dollars are spent.

Hal's vision as Mayor is to position Louisville as a place where jobs and opportunity grow, safe and secure neighborhoods thrive and open and accountable government distinguishes itself as a National model. **Hal Heiner** has proven he was the right man for District 19 and for Woodland Hills, now, without question, he is the clear choice for Metro Mayor to propel Louisville forward.

**District 19 Metro Council: Jerry Miller**

Only one candidate for the District 19 Council seat has taken the time to approach the leadership of Woodland Hills Government to discuss the issues that are important to our city and to make clear his intentions as a leader in Metro Government. That Candidate is **Jerry Miller**. Jerry without question is the most qualified to work for our interests and to support the future efforts of Louisville in the area of economic development and the resulting creation of jobs.

Jerry grew up in Louisville and currently resides in the Eastwood area. Jerry is a CPA and served as a VP for Humana until 2004 when he left to become involved in public service. He has served in various positions in State Government including the office of Commissioner of Kentucky Department of Parks.

**Jerry Miller** is a successful proven leader with experience in both business and government. His knowledge of and interest in Woodland Hills and his desire to move Louisville forward make him the clear choice for Metro District 19 Councilman.

**District 33, Kentucky State Legislature: Ron Crimm**

During his 14 years as a State Representative **Ron Crimm** has established himself as a leader on the floor of the Kentucky House of Representatives. He has worked hard for small business in an effort to preserve and create jobs for all Kentuckians. Also he has worked to make health insurance more affordable for small employers and consequently their employees. In other areas he has fought for education, lower taxes and limited government. Additionally Ron is a Pro-Life advocate.

Ron has been a friend to Woodland Hills. He was instrumental in promoting the re-naming and dedication of our park in the memory of former Mayor Hardy Brinly. He is also working to support our Hardy Brinly Park improvement project and attended our April town meeting to discuss the project.

Rep. Crimm has received many awards including Friends of Cities Award, U of L Recognition Award, The Good Samaritan Society Award and Champion for Children. His candidacy has been endorsed by The Courier-Journal, Fraternal Order of Police, Kentucky Chamber of Commerce, Kentucky Right to Life, The Family Foundation and many more.

**Ron Crimm** is right for Woodland Hills, Jefferson County and Kentucky.

---

Regardless of your choice of candidates please exercise you freedom and **vote on November 2.**

These endorsements are strictly my personal opinion and are in no way intended to reflect the opinion of Woodland Hills City Government or its Commissioners.
